*This list is provided as a resource for landowners and communities and is **not an endorsement of these companies by the Southeast Land Trust of NH**. Further, this is not a comprehensive list of surveyors that work in greater Strafford and Rockingham Counties. You are encouraged to interview a prospective surveyor and ask for references for a similar project. A more comprehensive list of surveyors can be found searching on the internet or visiting the NH Land Surveyors Association "Find a Surveyor" tool at: <http://www.nhlsa.org/findsurv.htm>.*
