

Sponsorship Opportunities

Why sponsor with SELT?

A SELT sponsorship offers your business the opportunity to leverage your support into creative advertising, which will reach a large and diverse audience. You'll gain exposure to the members of our community who value recreational lands, clean drinking water, fresh food, and a healthy lifestyle.

SELT hosts three major events every year: The Wild & Scenic Film Festival in April, The Conservation Celebration in June, and TrailFest in October, each of which offers unique marketing and engagement opportunities.

CHOOSE YOUR OWN SPONSORSHIP ADVENTURE

We're all about customizing the perfect sponsorship opportunity that meet your needs! We have many different options and are happy to sit down with you and develop a package that delivers the best value for your business! SELT operators are standing by!

About SELT

SELT works across 52 communities, toward the goal of helping to sustain people and nature - now, and in the future. We work daily to save, share, and steward local landscapes for the purposes of clean water, outdoor recreation, fresh food, wildlife habitat, healthy forests, and a robust coastal environment.

SELT is one of 12 land trusts in New Hampshire accredited by the Land Trust Accreditation Commission. Accreditation assures SELT's donors, partnering landowners, and communities that SELT meets the highest ethical, legal, and financial management standards of the land trust community. Learn more at seltnh.org.

Where nature receives the red-carpet treatment! The Wild & Scenic Film Festival, held annually at The Music Hall in Portsmouth, presents a slate of inspiring short films hand-picked by SELT's volunteer film committee, which speaks to the environmental concerns and celebrations of our time. We routinely sell out the 800+ available seats at The Music Hall. This event usually attracts an adult crowd.

Conservation Celebration

Saturday, June 13, 2026
 Burley Farms
 247 North River Road, Epping

Every year, our SELTies gather together to raise their glasses and tip their hat to all that they made possible in the world of land conservation. The Conservation Celebration (which also serves as SELT's Annual Meeting) brings together our closest friends for an evening of camaraderie, reflection, and anticipation of the exciting work that is on the horizon.
